SEACT

Dothan's most talented citizens join together for five shows per season, with the 2016/2017 season producing titles like *The Miracle Worker*, *9-5*, and *Peter Pan Jr.* It's the perfect evening spent with a SEACT show at the historic Dothan Opera House.

Wiregrass Museum of Art

Art and culture meet at the Wiregrass Museum of Art, which hosts three floors of rotating exhibits, including a permanent interactive children's exhibit. Shows range from sculpture, painting, mixed media, and Alabama featured artists.

Peanuts Around Town

The most unique way to get to know Dothan is by hunting for the 4' tall peanuts standing in front of local businesses. See if you can locate an armadillo, a fire hydrant, and a salute to the Armed Forces. Hint: Start with Elvis at the Visit Dothan Headquarters!
