

THE OFFICIAL VISITORS GUIDE

WELCOME TO DOTHAN

Deep in Alabama sits Dothan, the city center for the Wiregrass Area, which encompasses southeast Alabama, panhandle Florida, and southwest Georgia. Named after a grass that once grew wild among the pines, the Wiregrass is now home to a modern city decorated by museums, arts, festivals, sports, and an emerging culinary scene.

We hope that while you are here, you'll discover what makes Dothan special - our people. We asked a few of them to help us explain what is so great about our city. Meet Dothan's Taste Makers, Story Shapers, Cool Creators, and Team Players over the next few pages, and see if you can spot them while you visit Dothan!

TASTE MAKERS

Taste Makers define the flavor of the Wiregrass and set the tone for culinary excellence. They know how to give your taste buds the gift of down home cooking or a savory cup of fresh, local coffee. They start their days before the sun comes up and they don't rest their eyes until the last customer has been served. Their friendly smiles with a simple "How are you?," will make you feel like family.

**THE GIFT OF DOWN
HOME COOKING** ”

JOLANDO BUTLER

Owner of Desserts By Jolando

[f](#) DessertsByJolando

[@](#) dessertsbyjolando

Desserts By Jolando was never supposed to be a full-fledged bakery. I was initially looking for a building to work my hobby in. When we found this location I said to myself "I can't let people ride by and just see an empty space!" and it evolved from there. We now offer over 40 different cake flavors and are baking roughly 80 cakes per week from scratch. Being located downtown is a great privilege for us and we feel it brings a sense of family back to the community.

ELRI PARKER

Owner of The Toasted Yolk

[f](#) The Toasted Yolk Cafe

[@](#) thetoastedyolk

I decided to open The Toasted Yolk because I felt like Dothan needed a brunch spot (also my wife was heavily involved in this decision). Her vision then became my vision and now it's a reality! We want to treat this restaurant like Cheers where everybody knows your name. That's what people want, the atmosphere and the food and beverage quality and that's what we do at The Toasted Yolk!

REGINALD GREENWOOD

Owner of Sister's Soul Express

[f](#) Sister's Soul Express

I've worked in the restaurant industry 15 years and people kept asking when I would open my own. At first I was hesitant, but it has been a success! Unlike most meat and three buffets, your food is cooked to order for the freshest taste. That's what brings people back. When you're here, you are going to be greeted by everybody and feel welcome. That's what we do, give people southern hospitality.

STORY SHAPERS

Story Shapers hold the heritage of the Wiregrass near and dear to their hearts. They can tell you the history of every mural in town, what each historic building once was, and the importance of preserving what our ancestors set out to accomplish. Story Shapers immerse themselves in education and are always looking for ways to share their story with the masses.

**THE HERITAGE OF
THE WIREGRASS** ”

KODY KIRCHHOFF

Executive Director of The Harbor

 The Harbor

 theharbordothan

The Harbor was started a little over nine years ago and serves as a multi-denominational ministry outreach that unites and serves the community. We reach about four thousand people per month which is why we have and need such a large number of volunteers. We have always said the mission of The Harbor is to transform this city through the transforming power and love of Jesus Christ. That is our greatest vision, to bring unity to the Wiregrass and help those in need.

HARRY HALL

Captain of Krewe of Kolosse

 Krewe Of Kolosse

 kreweofkolosse

Since the first parade in 2014, our mission has been to bring Mardi Gras to Dothan. We didn't want it to just be the Krewe's parade, but rather Dothan's parade. Being located in Dothan, the Peanut Capital of the World, we wanted to celebrate that so we use peanut wagons as our parade floats. Parade day has a wonderful festival air even just in the neighborhoods while people are waiting on the parade to pass through. Every year it builds on itself and just gets better!

BETH HEMBY

President of the Azalea Dogwood Festival

 Azalea-Dogwood Festival

 azaleadogwoodfestival

In 1964 Mr. Charles Taylor and the Dothan Federation of Garden Clubs wanted to share the beauty of the azaleas that are found throughout Dothan and thus, the Azalea-Dogwood Festival began. One festival highlight is a scholarship pageant for high school juniors. Following the pageant, a newly elected Queen and her court sit on lawns among the bright pink azaleas to wave to those driving through. The festival is rich with tradition that celebrates spring and southern hospitality.

Before closing its doors in 2014, E.R. Porter Hardware was the longest running hardware store in the state of Alabama. The store has been preserved just as it was when they closed business on that day, and stands as a living museum for “the way things used to be.” The story goes that Dothan was built with materials purchased at Porter Hardware. This attraction is unique to Dothan and is full of stories about our little corner of the world.

Located in the original Greyhound bus station in Downtown Dothan, the George Washington Carver Museum is dedicated to honoring the contributions of African-Americans to arts and sciences. The Carver is home to one-of-a-kind personal items from Dr. Carver and his laboratory. There he developed over 300 uses for peanuts in food, industrial, and commercial products, as well as promoting soil rotation, which saved the Wiregrass area from economic ruin in the age of the boll weevil. The Carver hosts annual Black History Month events, as well as educational activities year round.

MURALS OF THE WIREGRASS

Downtown Dothan

muralcityartwalk.com

What better way to celebrate our area's rich history in agriculture, music, movies, and peanuts than by painting it on the sides of our most historic buildings in Downtown Dothan? Beginning with the Peanut Mural on the side of Liddon Furniture in the Dothan Civic Center parking lot, these murals have been a loved attraction in Dothan for years. The best way to tour the murals is walking the downtown streets on a beautiful southern day. Maps are available in Porter Hardware, at the Visit Dothan Visitors Center, and on the next page in this Visitors Guide.

MURALS OF THE WIREGRASS

WHY MURALS?

In 1992, most of the shops and businesses had moved out of Downtown Dothan in favor of Ross Clark Circle's busy traffic. While business migration is not a bad thing, it left downtown quiet. A small group of citizens created the Wiregrass Festival of Murals Board and began the process of bringing downtown back to its beautiful aesthetic on the historic buildings left vacant.

It was only natural that the first mural would be the Salute to the Peanut Industry, painted on the side of Liddon Furniture, one of the original downtown stores owned by the Liddon family since 1929. The mural features the progression of the peanut industry in the Wiregrass area, beginning with Dr. George Washington Carver at the very first National Peanut Festival, followed by the "old way" of peanut farming to the "new way" with modern farming equipment, to the present-day National Peanut Festival, held every year in November.

The mural was a hit. People were coming back downtown to see the art that seemed to be alive on the side of an old brick building. With that same enthusiasm, the Wiregrass Festival of Murals Board commissioned more murals - hometown legend and Hollywood actor Johnny Mack Brown, Creek Indian Chief Eufaula, early settlers, industries like mules, turpentine, railroad, and cotton, and Tribute To Tuskegee Airman Sherman Rose.

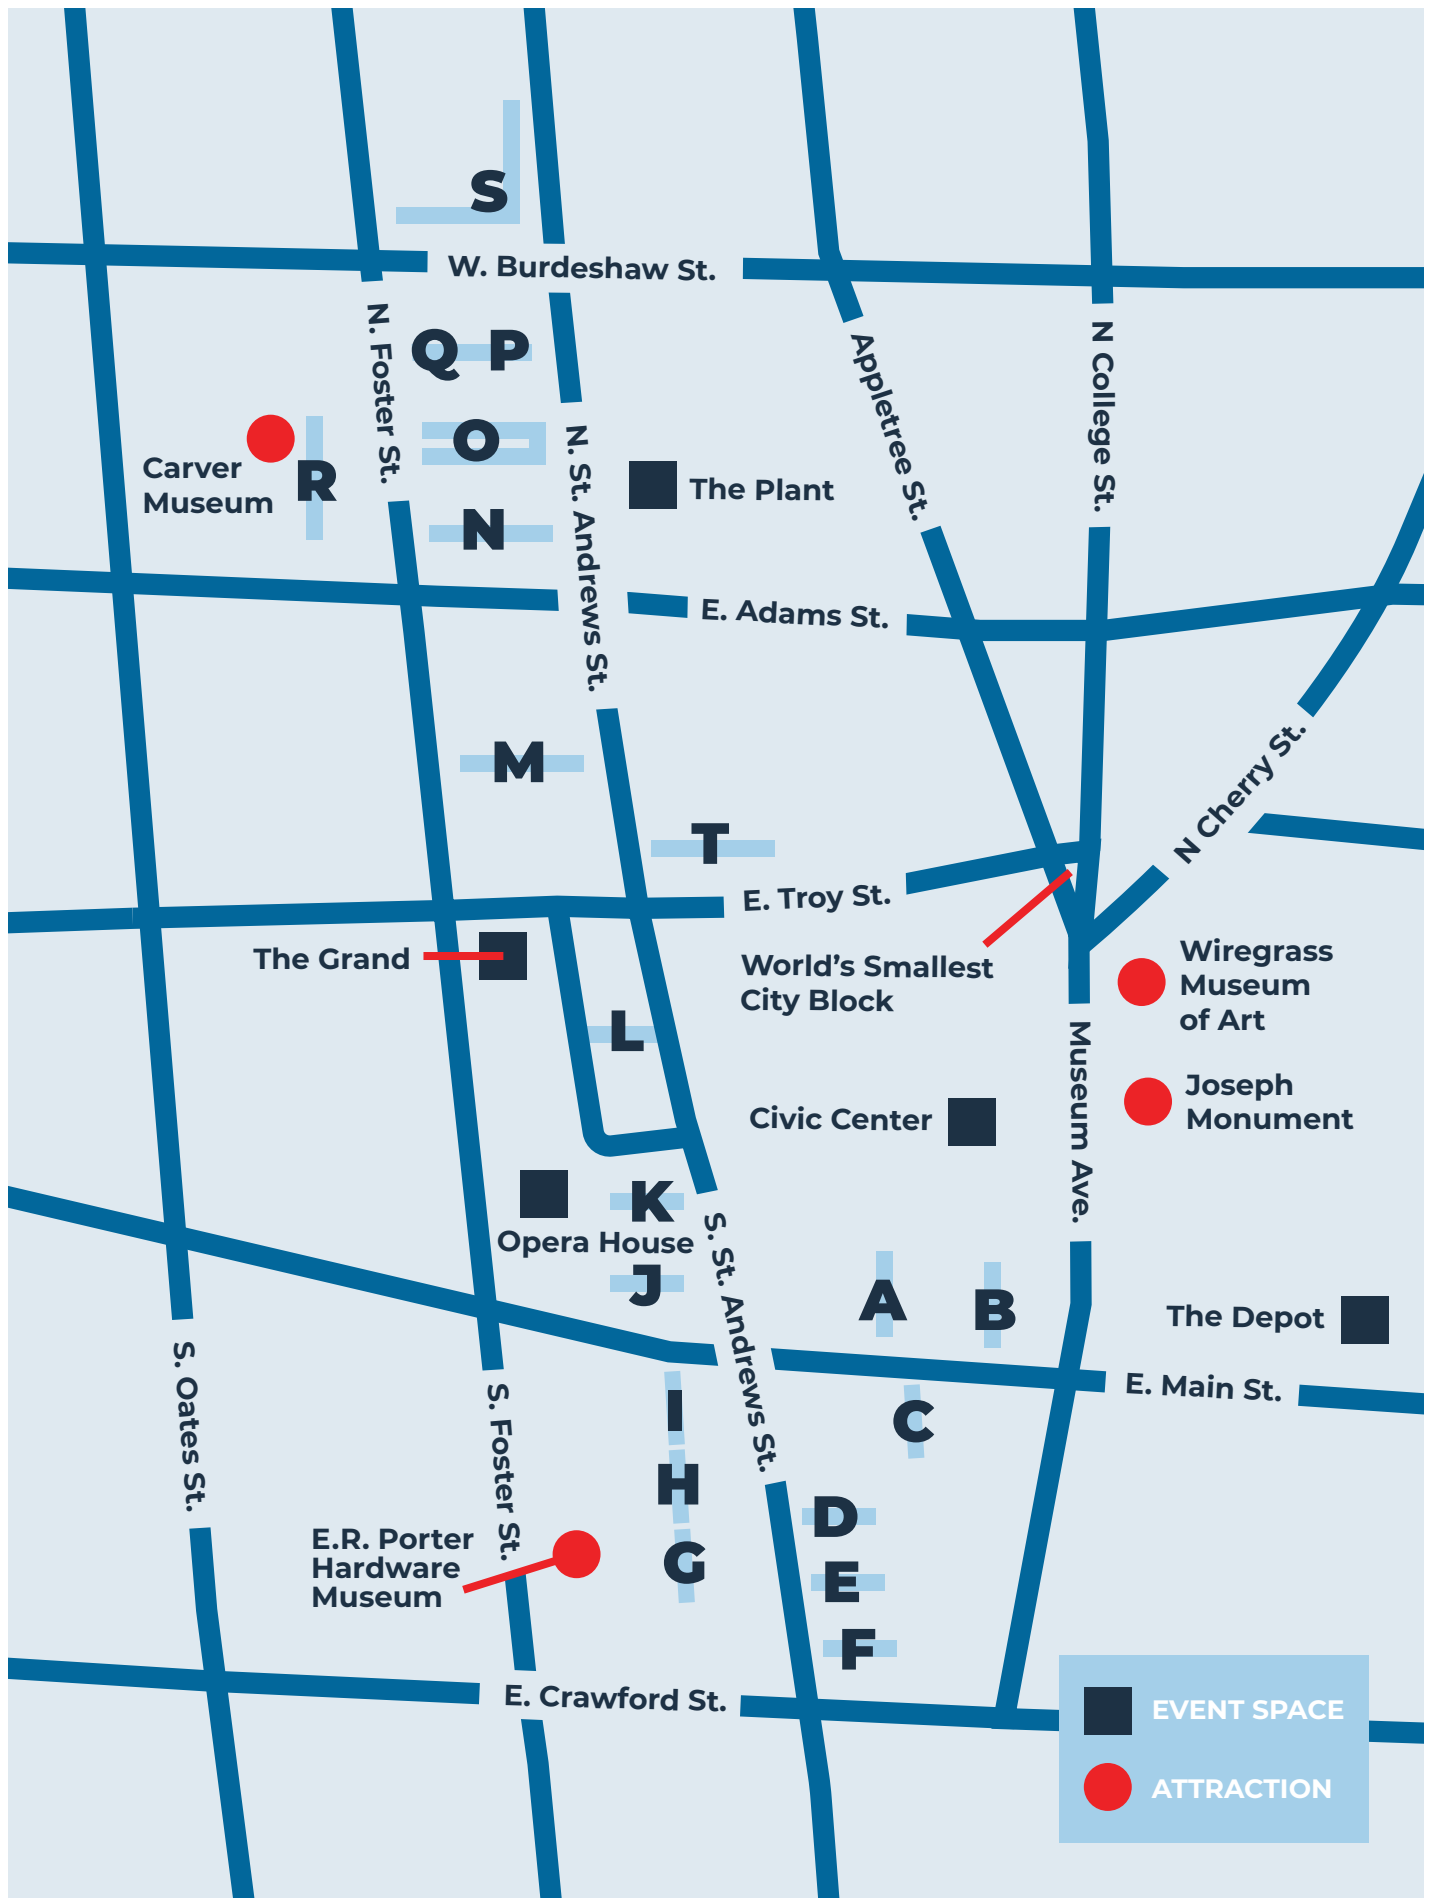

As of this publication, there are nineteen murals total, including a hidden mural inside the Dothan Opera House. The murals cover an eight-block pathway through Downtown Dothan, and travelers come from all over to see the Mural City of Alabama. More murals are being planned, with the most recent painting a depiction of Wildlife in the Wiregrass wrapping the corner of Bob Woodall Air Care Systems on North Foster Street.

WHAT'S THE BEST WAY TO SEE THE MURALS?

By walking, of course! Take advantage of Dothan's beautiful weather by parking your car on St. Andrews or Foster Street and follow the map on the next page. Choose to see only a few or adventure out to see them all! Each mural is painstakingly detailed by the talented artists who painted them. The murals are the perfect way to learn Dothan's history and to experience Downtown Dothan.

PEANUTS AROUND TOWN

WHAT'S THE BIG DEAL WITH PEANUTS IN DOTHAN ANYWAY?

Peanuts haven't always ruled the soil in our part of the world. At one time, it was all about King Cotton. Unfortunately by the 1920s, the boll weevil had taken over most of the cotton fields in the South, and farmers were left with destroyed fields and empty pockets heading into the Great Depression.

Enter Dr. George Washington Carver who, during his time as a professor of agriculture at Tuskegee University, had discovered over 300 uses for the peanut. He found that peanuts were not just tasty, but their oils were conducive to cooking, cosmetics, and pharmaceuticals. He also introduced field rotation to area farmers, showing that fields can be exhausted by continual planting. Luckily for the Wiregrass, the sandy soil on the farm lands was the perfect growing environment for shallow peanut plants.

Peanuts quickly revitalized farming around Dothan, and in present-day, 50% of the world's peanuts are grown within a 100-mile radius of Dothan. If you're eating a jar of peanut butter, chances are that you are consuming peanuts grown by Dothan area farmers. And no, peanuts are not a nut! They are members of the legume family, more related to the pea than the nut.

In the end, we have the boll weevil to thank for our booming agricultural economy in Dothan. So much so that our neighbors to the east in Enterprise raised a statue in honor of the boll weevil in the center of their downtown. But mostly, we have Dr. Carver to thank, which is why you'll find him forever honored on murals and in museums in Dothan.

WHAT ABOUT THE PEANUT STATUES ALL AROUND TOWN?

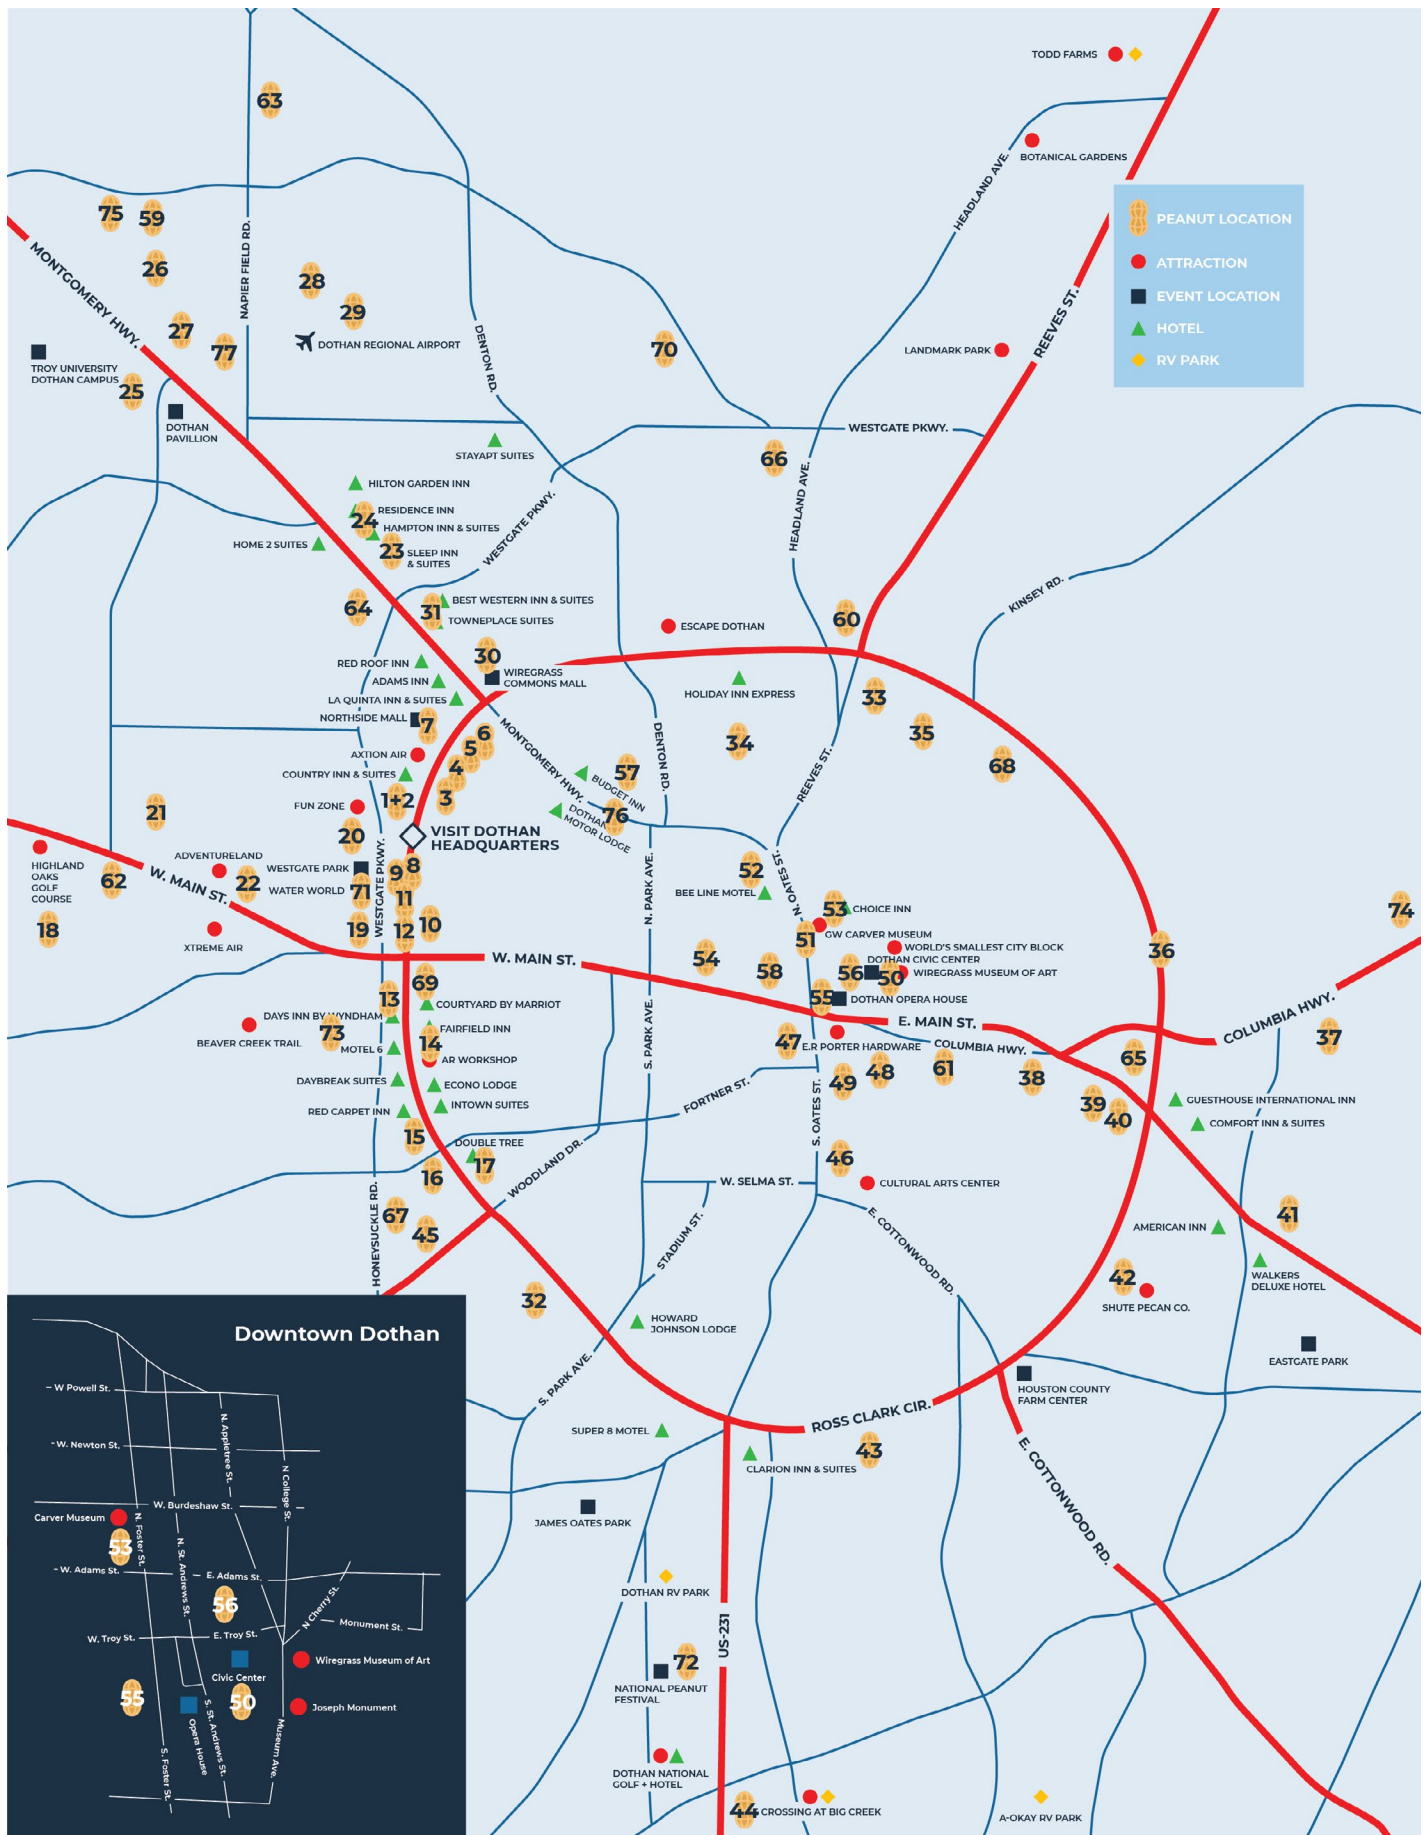

What began as a fundraiser for the revitalization of Downtown Dothan has morphed into a city-wide public art project. Businesses purchase fiberglass peanut statues from locally owned Replica Plastics, and design them with significance to their business. You'll find Dothan legends, kangaroos, armadillos, chefs, superheroes, doctors, dogs, and even a giant chicken. As of this publication, there are 77 Peanuts Around Town, and more are being added daily. We dare you to find a more unique city signature than the Dothan Peanuts Around Town.

You'll need a vehicle for this scavenger hunt as the peanuts spread (pun intended) all over town. Take the map on the next page and see if you can find them all! This is a great activity to learn your way around Dothan or to get the kids out of the house on a school holiday.

NATIONAL PEANUT FESTIVAL

.....

NOW THAT YOU KNOW WHY WE CARE SO MUCH ABOUT PEANUTS...

It's time you know about the National Peanut Festival. Yes, we have a festival for peanuts. And yes, it's a huge deal. You might hear the locals simply call it, "the fair," but it's so much more than that.

Each fall, the Wiregrass celebrates its agricultural heritage and the end of the harvest season with the National Peanut Festival. Inaugurated in 1938, what was then a three-day event included a pageant, parade, historical play, and a grand ball. The honorary guest speaker was none other than Dr. George Washington Carver. Pausing only for a brief break during World War II, the festival has been held annually ever since.

The festival has grown a bit since 1938; it's now a ten-day event that sees over 200,000 visitors each year. It's own fairgrounds were dedicated in 1999, and includes two midways, an amphitheater, food avenue, and expo buildings. The two midways are split - one for big rides and carnival games for teens and adults, and one for kiddie rides and easier games for the little ones. The expo buildings are full of local arts and crafts, recipe contest and photography winners, and livestock shows. The amphitheatre has hosted big music acts like Blake Shelton, Little Big Town, Steven Curtis Chapman, the Charlie Daniels Band - even Garth Brooks back in 1992 - and presents a new slate of artists each year in varied musical genres. The festival hosts several annual events as well that are crowd pleasers, like the Demolition Derby, cheerleading competition, greased pig and calf scramble, Senior Citizen Day, and Special Citizens' Day.

On the last Saturday morning of the festival, thousands of people line Main Street to watch marching bands, beauty queens on floats, classic cars, and military personnel in the area's largest parade.

What is everyone's favorite part of the festival, though? The food! Former NPF President, Jason Rudd, told us, "The #1 fair food is a corndog from The Corndog Man. #2 is the roasted corn." On the food avenue, local bands and civic clubs set up booths for the week to sell peanuts any way you like them, elephant ears, funnel cakes, fried Oreos and Twinkies, kettle corn, and any carnival food you can imagine. The food is so famous, it was even featured on Food Network's "Carnival Eats."

The National Peanut Festival is worth the visit to Dothan for old-fashioned family fun. You can find information about festival events, ticket pricing, and more at nationalpeanutfestival.com.

I'm a mother, wife, and bank recruiter by day but have always been a collector and lover of original art. Last year I decided to start an online gallery. I had no intention of opening a studio, but here we are! The online gallery is a retail platform where you can purchase original art and the studio is a shared space for local artists. We host multiple art camps for kids and adults where everything is provided. To offer this experience for them is amazingly meaningful! I have a lot of ideas and will continue to build on what we started.

Music is one of those things that speaks to everyone and we like to think we touch peoples lives and hearts through our music. Our orchestra is made up of people from all walks of life, from students to doctors to retirees. We rehearse once a week and always welcome anyone who wants to participate!

I always knew I wanted to be an artist. Growing up, my parents would give me paint-by-number sets and I would fill them in then draw my own and paint on those! I went off to school in the Midwest, got my BA in art, and settled back down in Dothan. The reason I've stayed is because I grew up here and I love the area and its people. I always recommend visiting the Art Museum, the murals downtown, and Foster Street. Dothan has such vitality and there's so much going on!

TEAM PLAYERS

Team Players show up and show out. They possess a determination like none other and strive to be the best. Whether on the softball field or bike trail, you can find them pushing themselves to the next level. They want to assist others in achieving goals once thought unattainable. Team Players support others and offer the confidence they need to compete at their best.

**STRIVE TO BE
THE BEST** ””

DAVID MOSLEY

Founder of Development Performance Factory

 Development Performance Factory

 developmentpfactory

I grew up in Detroit, Michigan and I'm a former collegiate and professional athlete. I moved to Dothan in 2014 and started Development Performance Factory in 2017. Originally it was to train the best athletes in the world but it has transitioned into teaching kids the neural pathways needed for them to become better athletes. Youth sports is very important to the area and for that reason we are a big youth advocate. We give our youth athletes in the community a second edge and better opportunity to beat the next opponent.

 The Press Thornton Future Masters

 fmjrgolf

Mr. Press Thornton was my father-in-law and the one who had the idea to initiate this tournament in 1950. It's important to note this is a Dothan Country Club, a Dothan community, a Dothan project and it has grown tremendously over the years. People tell us this is the best run tournament for junior golfers anywhere. I could probably tell you a story about every one of the kids that has won each year. It's treasured years with wonderful people!

JERRY STRAUSS

 USA Travel Ball

 usatravelball

We started this organization about fifteen years ago. I wanted something that was more personable and more family oriented. It's great how it keeps families together and how it serves as an outlet for kids to interact with other kids. When I first started I always wanted to get into Dothan because of how centrally located it is and there's just something about the southern hospitality! Also, Dothan takes interest in their youth and spends money on them in ways other cities don't.

**ALABAMA
STATE GAMES**

THE HISTORY OF THE GAMES

The Inaugural Alabama State Games competition in 1983 was held in Auburn, Alabama and featured 600 athletes competing in four different sports. In 2019, ASF Foundation's 37th Anniversary State Games showcased more than 6,000 athletes competing in 30 sports with over 200 separate events, making it the state's largest annual multi-sport event for youth and adults.

The Games are part of the nationwide network of state games with a national organization called the National Congress of State Games (NCSG). The NCSG is a membership organization comprised of 30 Summer State Games and 10 Winter State Games organizations and a member of the United States Olympic Committee's Multi Sport Organizational Council. The mission of the NCSG is to support State Games member organizations in the promotion of health, fitness and character building through multi-sport competitions and physical activities. The NCSG was created in 1986, to serve as the official association of the State Games Organizations. However, The State Games movement dates back to 1978.

The State Games provide a motivational goal for athletes and communities within the state in which they are held. Recreational and competitive events alike are offered in most states, so whether participants compete for the fun of it or as the first step to their ultimate dream, there's something for everybody in the State Games. The Games are a continuation of a grassroots effort to get communities involved and aware of Olympic sports and to encourage them to pursue their sports-related endeavors whether they are athletes, coaches, administrators, officials, sponsors or volunteers.
